Last week we looked UFO's, Aliens, and Haunted Houses,

Deut. 29:29: The secret things belong to the Lord our God, but the things revealed belong to us and to our children forever, that we may follow all the words of this law.

- Hoaxes, misinformation, unreliable, and legends follow our topic tonight. The challenge is to set aside what we think we might have heard and listen for truth. And what does the Bible say
- There is much mystery in God and His ways are not our ways and He has not fully revealed everything
- We are talking about the 4th dimension, things unseen. Not unlike radio and TV airwaves all around us—angels and demons around us
- Some controversial topics that have become popular to discuss. There are even courses that can be taken on universities dealing with the topic of ghosts and haunted places: Paranormal and Psychic Science

Edmund Spencer said it well, "There is a principle, which is a bar against all information, which is proof against all argument, and

which cannot fail to keep man in everlasting ignorance. That principle is condemnation before investigation”

- Set aside our previous conclusions and look at what the Bible says
- Last week we looked Ezekiel 1 and I shared that I believe that rather than being extra-terrestrial creatures from another galaxy or universe, they are interdimensional beings, from the 4th dimension, entering the 3rd dimension
- I must add an addendum to our discussion after having a conversation with my son. Daniel, my son, is a graduate of Azusa Pacific with a double major in history and Biblical studies—he has been on an archeological dig in Israel and is astute on such matters.
- Daniel made an interesting observation: if we are observing God’s ways of manifesting himself to us as we see in Ezekiel and even in Revelation, with flying creatures, strange vehicles, etc. then why couldn’t God still be communicating to humans in such ways through cherubim, seraphim, and angels? Not just demons? Could it be that the UFO’s and Aliens are these?
- I mentioned the book written by NASA engineer Josef F. Blumrich entitled *The Spaceships of Ezekiel*. This author believes that what Ezekiel is describing is an encounter with an extraterrestrial. As is said last week, I believe it is an encounter with an “Interdimensional”

But Tonight I want to deal with haunted houses and how we can cleanse our house or a house:

- This is real life stuff—the world we live in. If the Bible can’t apply here, then it can’t apply

Leviticus 14:33-57

- It is not mysterious that that a physical infection could be over a house. Hospitals take great precautions to cleanse rooms and hallways, etc.
- But this passage indicates that something of a spiritual nature is also involved
- Have we not seen in our seminar that spiritual beings can infect and linger over physical objects? Why not a house, just like a human being?

4 Truths for Cleansing a House of the Demonic:

vs. 33 And the Lord spoke to Moses and Aaron, saying: 34 “When you have come into the land of Canaan, which I give you as a possession, and I put the leprous plague[a] in a house in the land of your possession, 35 and he who owns the house comes and tells the priest, saying, ‘It seems to me that there is some plague in the house,’ 36 then the priest shall command that they empty the house, before the priest goes into it to examine the plague, that all that is in the house may not be made unclean; and afterward the priest shall go in to examine the house.

1) Spirits of Evil can be attached to a Home

The renowned theologians and scholars, Kiel and Delitzch write, *The only thing that can be gathered from the signs mentioned is that the house-leprosy was an evil...For, although it is primarily in the human body that sin manifests itself, it spreads from man to the things which he touches, uses, inhabits, though without our being able to represent this spread as a physical contagion.* C.F. Keil, *Commentary on Leviticus pp.390-91*

- Have you ever felt a heaviness over a place? Over a person? Isaiah describes the “spirit of heaviness” in Isa. 61:3
- The purification ritual involved both a physical and spiritual application, showing that a house could be polluted on two levels: a physical level and spiritual level

- I believe that demonic spirits can inhabit people and places. It's interesting that the same procedure we are reading about for a house is used for someone with leprocy
- In 1 Corinthians 10 Paul says that demons can inhabit or be behind idols
- Demons can attach themselves to people and places

Vs. 38 then the priest shall go out of the house, to the door of the house, and shut up the house seven days. 39 And the priest shall come again on the seventh day and look; and indeed if the plague has spread on the walls of the house, 40 then the priest shall command that they take away the stones in which is the plague, and they shall cast them into an unclean place outside the city.

2) A Priest had to be Called in to Purify the House

- This was seen as a spiritual issue not just a physical one. This is about something impure, a plague, something unclean over a home
- Not a pastor necessarily but the saints can gather with the power of the Spirit and purify a home
- All of you have the Holy Spirit—all of you are priests of God—you can cleanse your home
- **Important Questions:**
 - Is there anything unclean in your home?
 - Anything unclean being allowed into your home?
 - Any activity going on that could be demonic?
 - If so, you could be inviting demons in—demons are like mice, they feed on things!
- You have to throw out and get rid of all unclean objects and stop all unclean activities!

- If you are feeling something. If you know there has been or is demonic activity over your home, you absolutely must treat it as spiritual and cleanse your home
- Ex. We have seen that certain objects from idols, false religions allowed in the home must be thrown out, burned, destroyed

Verse 52 And he shall cleanse the house with the blood of the bird and the running water and the living bird, with the cedar wood, the hyssop, and the scarlet.

3) They Anointed with Blood over the Home

- Our story comes from the Old Testament is under the Old Covenant of blood sacrifices. We are now in the New Testament under the New Covenant, the Covenant of Christ
- We pray the blood over our homes!
- I believe we can have “sick homes” and I know this sounds weird but demons can attach themselves to a place—like the High Places in Israel—and we treat these places like they are demonized and need to be delivered
- Ex. We have gone into homes and anointed each room and the 4 corners of the property with oil and prayed for all spirits to leave in the name of Jesus
- But there is more here than just prayer over a house...
- I want to challenge us with the concept of building a War Room in your home! You will have to learn to war in prayer for your family, for your work, for your home...
- Ex. Liz and I pray for our family and our home every morning together:
 - We make our French press coffee
 - We open our Bibles and pray through a passage

- If we have less time, we just pray a few verses; if we have more time, we pray a chapter
- But we pray the blood of Jesus over each person and situation
- Ex. I have asked Joe and Marci Wuertz to share their experience in cleansing their home...

Verse 53 Then he shall let the living bird loose outside the city in the open field, and make atonement for the house, and it shall be clean.

4) A House can be Cleansed and Transformed and so can the Family that Lives in it

- Listen, this works!

Cleansing a Home:

Step 1: Remove any unclean sinful items that have been brought in: pornography, horror movies, filthy movies, false religious items. This would include any secret thing brought in by someone else

Step 2: Stop the sins being committed in the home. Fornication is sex outside of marriage; gossip; lying; cheating; uiji boards, tara cards, etc.

Step 3: Gather a group of believers in Christ, wholehearted disciples who believe in the power of God and the blood of Jesus. Gather together and move room by room anointing with oil and praying outloud this prayer or a prayer like it

- As a Jesus disciple you are to renounce reject the works of the devil, the flesh, and the world
- You are to claim the victory of Jesus, the blood of Jesus, the name of Jesus

Lord Jesus we love you and bless you. We give you praise and worship. We thank you that in all things You have preeminence. We thank You that Your Word says that You are the image of the invisible God, the firstborn over all creation. For by You all things were created that are in heaven and

that are on earth, visible and invisible, whether thrones or dominions or principalities or powers. All things were created through You and for You. You are before all things, and in You all things consist.

We give thanks to the Father who has qualified us to be partakers of the inheritance of the saints in the light. We thank you Lord that You have delivered us from the power of darkness and conveyed us into the kingdom of the Son of His love, and that we have redemption through Your blood and work on the cross.

Lord, we come to you in the power of the Holy Spirit and as your blood washed saints to cleanse this house. We invite you Holy Spirit to come and fill this house. We invite you Jesus to rule over this house and our family. We desire that You be Lord, King, and Savior over this home and our family. By the blood of Jesus we ask You to empower us now as we pray.

[Anoint with oil] As we anoint this home/room, we invite you Holy Spirit to take control of our prayers, to show us how to pray, to guide us in any way You desire. Bring to mind anything that You want us to be aware of and pray over. Give us visions, thoughts, or pictures in our minds eye of anything that you want us to bind and loose over this house.

In the name of Jesus we renounce and reject any sins, known or unknown to us [wait on the Lord for anything He would bring to mind], that have been committed by anyone, including myself and my family, in this house. In the blood of Jesus we renounce and cast out any demons that have been attached to anyone or any sin that has been committed in this place. We cast these demons out in the name of Jesus and we cast them out to where Christ would send them.

Show us Lord if there are any unclean objects in the home. [Let the Lord speak to you about anything that needs to be taken out of the house.] By the blood and name of Jesus we renounce and cast out any demonic powers of darkness that have been invited into this place through sinful, unclean objects or items that have been brought into this home. We command them to leave right now by the name and power of Jesus!

Lord, we invite Your kingdom, Your presence, Your power, Your angels to inhabit this place for Your glory. Use this house for Your

glory and honor. We desire that you would come and take over our lives and this house and use it for Your glory, Your purpose, and Your plans.

Amen.
