### **The Great Reset and a Kingdom of God Revolution**

#### **Psalm 2**

- Summer in the Psalms—last week: Psalm 23; the week before: Psalm 1
- Psalm 2 is a unique Psalm on several fronts.
  1. Psalm 2 presents us with God's strategic plan for the End Times.
  2. Psalm 2 gives us a behind-the-scenes look at how Satan is working in our world today.
  3. Psalm 2 reads like a road map to God's ultimate triumph over worldwide demonic forces.
- Earlier in the year in the spring, I spoke on the Great Reset and the World Economic Forum. I will touch on that message today; but if you want more information and much more detail, you can look it up under sermons, ["The Invisible War—The Great Reset," on March 27.](#)
- What makes Psalm 2 so powerful is the unique opportunity, only found in a few passages in the Bible, in which we view God's strategic plan for the Last Days.
- As one who believes that a great Kingdom of God revolution is coming that will sweep across the world, I believe God is accenting Psalm 2 today.

## Verses 1-3

### Global Opposition and “The Great Reset” (Psalm 2:1-3)

- This has been the question and prayer since the Church Age began. Indeed, in Acts 4, after Peter and John were released after a trial before the Sanhedrin, the Church opens the prayer time quoting these verses in Psalm 2.
- We are seeing two kinds of churches emerge out of covid: 1) progressive Christian church that will almost do anything to fit into the culture and not make waves; and then 2) Word and Spirit churches that are continuing to stand on the authority of God’s Word.
- This is a difficult thing to do, as we see: 1) whole nations raging against God; 2) people plotting to destroy Christianity, in general, and the church, in particular; 3) the top cultural leaders will “take counsel together against the Lord and against Christ.”
- Klaus Schwab is the founder and executive chairman of the World Economic Forum (which I will call the WEF)—an infamous organization made up of the world’s political, economic, and cultural elites, that meets regularly in Davos, Switzerland.
- Alongside Klaus Schwab is Thierry Malleret, co-founder and main author of the *Monthly Barometer* and the most eye-opening book, *COVID-19: The Great Reset*, which by the way, came out in the summer of 2020; this means it must have already been researched before the supposed pandemic occurred.

**Klaus Schwab: “By 2030, you will own nothing and be happy about it.” Meaning: He will own everything, and he will be happy about it.**

- The goal of the World Economic Forum, controlled by the world’s most powerful billionaires, is to control everything on the planet—from how money is distributed and the houses you live in, to the food you eat.
- The goal of the WEF: To completely control the entire globe. Their goal is that we will be completely controlled by the government and

Big Tech, because we will be completely dependent on the government and Big Tech.

**The WEF, elite billionaires, and globalists are actively working for a One World Order.**

- They don't believe in the sovereignty of individuals or nations and want to erase all borders and gather all nations into a one-world government.
- Think New World Order, One World Government, and open borders.
- It was Walter Cronkite 50 years ago, and President Obama 10 years ago, who said America must learn to "give up her American sovereignty."
- This is what Joe Biden said: "Now is the time things are shifting. There is going to be a New World Order. We've got to unite the rest of the free world and do it."
- **The covid pandemic was controlled by Big Tech, Big Pharma, and the elite billionaires. They are running things.**
- They are moving fast; fast as they can! Biden said it, and very few picked up on it.

**The elite hate free enterprise, private property, and free speech.**

You cannot usher in a One World Order if you still have strong nations; this includes the U.S., Russia, and China. All must be brought down to a "manageable" level.

- After the collapse of the old Soviet Union, the Left had to reinvent its Marxists socialist agenda.
- My definition: "Socialism is the control of the means of production by a small group of people—it's the elite who have all the power. They control the factories, the schools, the healthcare, and the people."

- But there's a NEW SOCIALISM. They tax and regulate you to death! We are being held captive by a few oligarchs.

**The new 21<sup>st</sup> century socialism: “Oligarchs” (a few cultural, political, and business leaders) using monopolistic tactics to dominate an industry; they possess political and media power to promote their own interests; they control decision making over a nation to promote their own interests.**

- They hate free enterprise, private property, free speech, and any government or company they cannot control.
- They hate the American Way, American Exceptionalism, and our Constitution.
- But these are only the early stages of what's coming.

### **Verse 3**

#### **What the Oligarchs, WEF, and Globalists Hate**

##### **1. They hate that we hold to a standard of truth—the Bible.**

- It's not the progressive, liberal, postmodern churches they will oppose. For all intents and purposes, those churches are of no threat because they have jettisoned the authority of God's Word.
- It is those churches that hold to the authority of Scripture and believe in the power of the Holy Spirit they hate.

##### **2. They hate that we believe in a standard of morality—of right and wrong.**

- It won't be the churches that are caving into every cultural accommodation possible.
- It will be churches that still believe there are standards of morality that are right and wrong; they hate that!

##### **3. They hate that we oppose their agenda for world dominion.**

- Those churches that still believe that our nation is unique, founded upon a Declaration of Independence, a Constitution, and the Bill of Rights.
- People and churches who oppose mass Big Gov and Big Pharma control of our healthcare.
- People and churches who believe we should have the freedom to worship and share our faith at high schools and college campuses.

### **What is God's response?**

### **God laughs at their sinful confidence. (Psalm 2:4-5)**

#### **Verses 4-5**

#### **Psalm 37:12-13**

*"The wicked plots against the just,  
And gnashes at him with his teeth.  
The Lord laughs at him,  
For He sees that his day is coming."*

#### **Psalm 59:8**

*"But You, O Lord, shall laugh at them;  
You shall have all the nations in derision."*

One writer explaining this says, "It is a holy laugh in the face of absolute pride that presumes that their wickedness can defeat Him. It is the ultimate laugh of triumph, of supreme power amid those who think they are powerful, yet have no real authority."

Satan, who is using world leaders, continues to think he can somehow defeat God and the Church, and continues to make every **effort to do so**, is actually playing into God's end-time strategy of triumph and a Kingdom of God revolution.

### **Look at Verse 4**

Even as Satan and the world's elite mobilize to take down and attack God and His Church—utilizing all the resources they can muster—God doesn't even stand up!

- God sits and laughs. The global conspiracy is so pointless and powerless, He laughs and doesn't even stand up!

**Matthew Henry in his commentary writes, “Sometimes God is said to awake, and arise, and stir up Himself, for the vanquishing of His enemies; here is said to sit still and vanquish them; for the utmost operations of God’s omnipotence create no difficulty at all, nor the least disturbance of His eternal rest.”**

- Yet don't miss this—God loves every person, and He doesn't delight in the death of the wicked (Ezekiel 18 and 33); but he laughs at their futile plans to unseat Him and their futile plans to destroy the Church.
- It is from His righteous love that He laughs at those who would attempt to get in His way.
- It is from His rightful place of love that He executes wrath on those who would get in the way of His love.
- This includes those in the Church who are being deceived by the cultural elite and are being deceived by false prophets.
- Do you know there is more in the Bible about deception in the last days than about the tribulation? Of the 150 passages in the Bible about the last days, there is more about deception than the **tribulation**.

## **A Kingdom of God Revolution (Psalm 2:6-9)**

**A decree is sounded:  
Verse 6**

**God's decree: Jesus is the King in Zion!**

- The Hebrew word for “set,” or it can be “installed,” is Jesus anointed as King!

- God is using all of this to install Jesus as King all over the globe!
- This also may be an illusion to the fact that in the last days, the Temple will be rebuilt in Jerusalem, the holy hill of Zion, and that Jesus is being installed as the King over the entire earth.

## Verse 7

### PP: God's decree: Jesus is God's Son!

- Questioning Jesus' divinity has been common practice in the world ever since Christ walked on the earth.
- But with all the propaganda, strategically planted throughout the earth, God announced, "Jesus is My Son."
- He is using all of the deception to weed out the true believers and the posers.

*...“The kingdom of heaven is like a man who sowed good seed in his field; but while men slept, his enemy came and sowed tares among the wheat and went his way. But when the grain had sprouted and produced a crop, then the tares also appeared. So the servants of the owner came and said to him, ‘Sir, did you not sow good seed in your field? How then does it have tares?’ He said to them, ‘An enemy has done this.’ The servants said to him, ‘Do you want us then to go and gather them up?’ But he said, ‘No, lest while you gather up the tares you also uproot the wheat with them. Let both grow together until the harvest, and at the time of harvest I will say to the reapers, “First gather together the tares and bind them in bundles to burn them, but gather the wheat into my barn.” ’ ” (Matthew 13:24-30)*

- We will see the weeding out of the tares and the true wheat.

## Verses 8-9

### God's decree: King Jesus will rule over all the nations!

#### Psalm 2:8

- The Kingdom of God revolution will envelope all the nations of the world.

- We will see the fulfilment of “Thy kingdom come. Thy will be done on earth as it is in heaven.”
- Lord’s Prayer

## **How should we live?**

### **A Warning to World Leaders and the Church (Psalm 2:10-12)**

#### **Verse 10**

- 1) You had better use wisdom! You had better be instructed by God.
- In other words, don’t be sucked in, don’t be deceived, and don’t be seduced by the new ways of Christianity and new doctrines popping up.

*“The coming of the lawless one is according to the working of Satan, with all power, signs, and lying wonders, and with all unrighteous deception among those who perish, because they did not receive the love of the truth, that they might be saved. And for this reason God will send them strong delusion, that they should believe the lie, that they all may be condemned who did not believe the truth but had pleasure in unrighteousness.”*

#### **(2 Thessalonians 2:9-12)**

#### **Verse 11**

- 2) Serve God with fear; meaning, love God as you serve the Kingdom on earth.
- Stay occupied. Stay involved. Be a Kingdom revolutionary! Don’t get sucker-punched by the enemy. Stay at it.
- Fear God, and don’t fear Man. Don’t fear viruses; don’t fear higher gas prices. Fear God. He will take care of you.
- Stay close to our plans at The Road to bring in food, etc.

#### **Verse 12**

- 3) Embrace Jesus. This word, “kiss,” can be translated, “embrace, be instructed, be disciplined.”
- Have you fully embraced Jesus in your heart? Have you opened up your heart to Him?

**Even as we watch hostility growing, we also see Kingdom of God revolution growing! Whose side will you be on?**
